My comments/questions. Region 9 makes some leading statements and doesn't support them.....

Stuart and Mary –

Please see the attached draft briefing paper on the (currently informal) Hunters Point dispute between EPA and the Navy. We would appreciate your quick staff-level review, by noon Wednesday if possible. We plan to brief Enrique on Thursday, and expect him to send out a revised draft to Dana and Greg late this week or (more likely) next week. Thanks.
